## FACTUAL FINDINGS

1. The Administrative Complaint was executed by WENDY BRECKON, Senior Staff Counsel, CWIMB, acting in her official capacity.

2. RESPONDENT is responsible for the transportation of waste tires by a person not holding a valid waste tire hauler registration from the CIWMB.

3. The Waste and Used Tire Hauler Registration expires annually on January 1, pursuant to 14 CCR 18455.

### WASTE TIRE HAULER REGISTRATION

4. RESPONDENT applied for and obtained from CIWMB, a Waste and Used Tire Hauler Registration (hauler registration) for the years 2005, 2006, 2007, and 2008 in accordance with PRC sections 42955 and implementing regulations.

5. Prior Unregistered Hauling: RESPONDENT failed to apply for the 2007 hauler registration prior to January 1, 2007, and in fact, RESPONDENT did not apply for the 2007 hauler registration until March 15, 2007.

6. Recent Unregistered Hauling: RESPONDENT failed to apply for the 2008 hauler registration prior to January 1, 2008. In fact, RESPONDENT did not apply for the 2008 hauler registration until April 2008. As a result, CIWMB issued a cancellation letter on January 3, 2008 to RESPONDENT informing him that he did not have a current registration and could not haul 10 or more waste or used tires. Despite being an unregistered hauler, RESPONDENT continued to haul waste or used tires in violation of Public Resources Code section 42951.

7. RESPONDENT hauled more than 10 waste tires as an unregistered hauler on the following twelve occasions in violation of PRC section 42951 as follows:
